

MCH will reenact a **No Visitor** Policy as of 8-28-20, at 5:00PM. Entering Patients will be screened and asked to wear a mask.

Updated Visitor Restrictions: 8-28-20

The past ten days have demonstrated a significant uptick in Morris and surrounding Counties, yielding many new positive COVID Results. To protect our patient's from possible exposure, we are **ONCE AGAIN CEASING ALL VISITATION** on our Inpatient and Swing Bed Units.

Other MCH measures remaining in place:

- **Accommodations will be attempted for end of life situations.**
- **Accommodations will be attempted for births of new babies in our facility.**
- **Only absolutely necessary escorts of patients** will be allowed to accompany a patient to Lab or X-ray for outpatient testing.
- Non-Patients with compromised immune systems, pulmonary complications, or serious health complications should stay home.

THANK YOU FOR YOUR COOPERATION
