MCH SELF-DIRECT CASH PAY LAB – ORDER FORM

PLEASE PRINT THE FOLLOWING:

Name: _____ Date of Birth_____ ** **M F** (circle)

Address: _____
Street Address/PO Box Number, Apartment # City State Zip Code

Phone Number: _____

****Provider(s)**: _____ or **Unassigned** (circle if no Provider)

If a provider(s) is listed then results will be sent to the provider(s). If a provider is not listed then the patient will be responsible for results. Results will be available for you (or designee) at the lab. If you would like them mailed please let us know so we can have you fill out a self-addressed envelope. Note: you must have a lab authorization release form filled out within the last 12 months to have results mailed or picked up in lab. You do not need a result authorization release form if the results are being sent directly to your provider(s). If no provider is given then critical results will be reported to your primary provider on file or the on-call ER provider at MCH, who should then contact you regarding the result.
